

Terry Jacobs Bio

Jacobs has worked for WSOS/Great Lakes Community Action Partnership (GLCAP) for eleven years. Jacobs serves as the Housing & Energy Director and is responsible for managing and directing the finances, operations and development initiatives within the department. The department administers a budget of \$4.5 million in funding for the Home Weatherization Assistance Program (HWAP), Electric Partnership Program (EPP), Columbia Gas WarmChoice program, FirstEnergy Community Connections Program, AEP Community Assistance Program, Ohio Housing Trust Fund (OHTF) program and Community Housing & Impact Preservation (CHIP) grants for many Northwest Ohio communities. Jacobs holds a Bachelor of Science Degree from the University of Toledo. Before joining WSOS/GLCAP, Jacobs worked for Pella Windows and Doors as a Commercial Sales Representative. Jacobs currently serves as a board member for the Sandusky County Habitat for Humanity, Ohio Partners for Affordable Energy (OPAE), and is the Northwest Ohio Regional Representative to the Home Weatherization Assistance Program (HWAP) Policy Advisory Committee of the Ohio Development Services Agency (ODSA).
